

PRESS RELEASE

August 20, 2021

Water Main Repair at 1200 Block of N. ARCHER ST between E. Fannin St. and E. Hutchinson St.

The crew from the City Water Department will be working on repair a 6” water main break at the 1200 Block of N. Archer St between E. Fannin St. and E. Hutchinson St, on Saturday, 8-21-21, beginning around 7:30 am and to complete the repair work around 12 pm.

During that time, the water pressure in the northeast quadrant of the city will be impacted due to this repair work. Please take all necessary steps before the beginning of the repair to make sure you have sufficient water for your usage. Please contact the City Water Department @ at (361) 358-4641 for any questions you may have.
